

CONSIDERED DOING A HALF IN THE LAND OF SMILES?

Beautiful beaches, friendly faces and amazing seafood is what makes Thailand so “Amazing” and a memorable destination for a Triathlon. This year’s **TOYOTA IRONMAN 70.3** takes place in Bangsaen, a famous town in Thailand situated approximately 75km southeast of Bangkok and 60km from Bangkok airport. After a successful inaugural year in 2019, the **TOYOTA IRONMAN 70.3** Bangsaen presented by MAMA will be held for the second time on 23 February 2020 by leading local triathlon promoter, Thailand Tri-league. **IRONMAN 70.3** Bangsaen is a festival weekend with a 1.9km swim, 90km bike and 21.1km run held on a unique course with memorable scenery. Registration includes a finisher medal, an event t-shirt and finisher’s towel. The 1.9km swim will be a rolling start from the beach. Athletes will swim a 1.9km clockwise, triangular course. It is expected to be a non-wetsuit swim, with race day water conditions averaging at 24-27°C. The bike, a 90km route where athletes will make their way north on the beach promenade and complete an out and back section before continuing onto the most beautiful Khao Lam Road. Participants then head straight back pass Khao Lam Road to T2. The roads are wide with mostly smooth tarmac and low rolling resistance, suitable for achieving a personal best! The run is 21.1 km, the course has it all, rolling slopes, flats and a mixed scenery of beach and gardens. It starts on the beach promenade making it’s way towards Lam Tan and then up Khao Sam Muk Hill where you enter the “Monkey zone”, a famous tourist spot inhabited by a number of monkeys and beautiful cactus gardens where the old fisherman village is located. After making three loops around Khao Sam Muk Hill expect a fast finish making your way down to the beach again and the finish line.
